

Memorial Tree Program

Donating a tree to the arboretum is a wonderful way to remind you of a loved one and keep their memory present as it grows and thrives.

Your tax-deductible gift of \$500 to the Forest Home Historic Preservation Association will pay for the planting of a young tree, care and maintenance for a year, and replacement should it become necessary.

With each memorial tree, a metal marker is placed at the base of the tree. This marker will identify the type of tree and the inscription will read *"In Memory of Jane L. Doe (1945-2020)"*

A tree planting and dedication event happens in the Spring. New tree planting sites and the tree species are determined through an arborist-approved tree management plan, ensuring the newly planted trees will enhance the cemetery in the best possible way, providing comfort and beauty to visitors for years to come.

Name of the person to be memorialized:

In Memory of _____ (Birth date _____ -Death date _____)

For questions, please contact Sara Tomilin at 414-645-2632.

Please enclose a check for \$500 made out to Forest Home Historic Preservation Assoc.
